Fitz:
Although we have had our ups and downs, a lot more ups than downs though, and I guess it was mainly my fault that we had those few downs but you see, sometimes I do get pretty moody. (smile) I have enjoyed your friendship though, along with your fine personality and character. If you stay the way you are I'm sure you will always be surrounded by friends. Oh yea! Good luck next year at Marshall just in case I don't come back (but I probably will).

...I have been just great to

...great friendship. I really hope never

...never forget me, because you are one person I can

My love to you always, and the best of

Fitz,

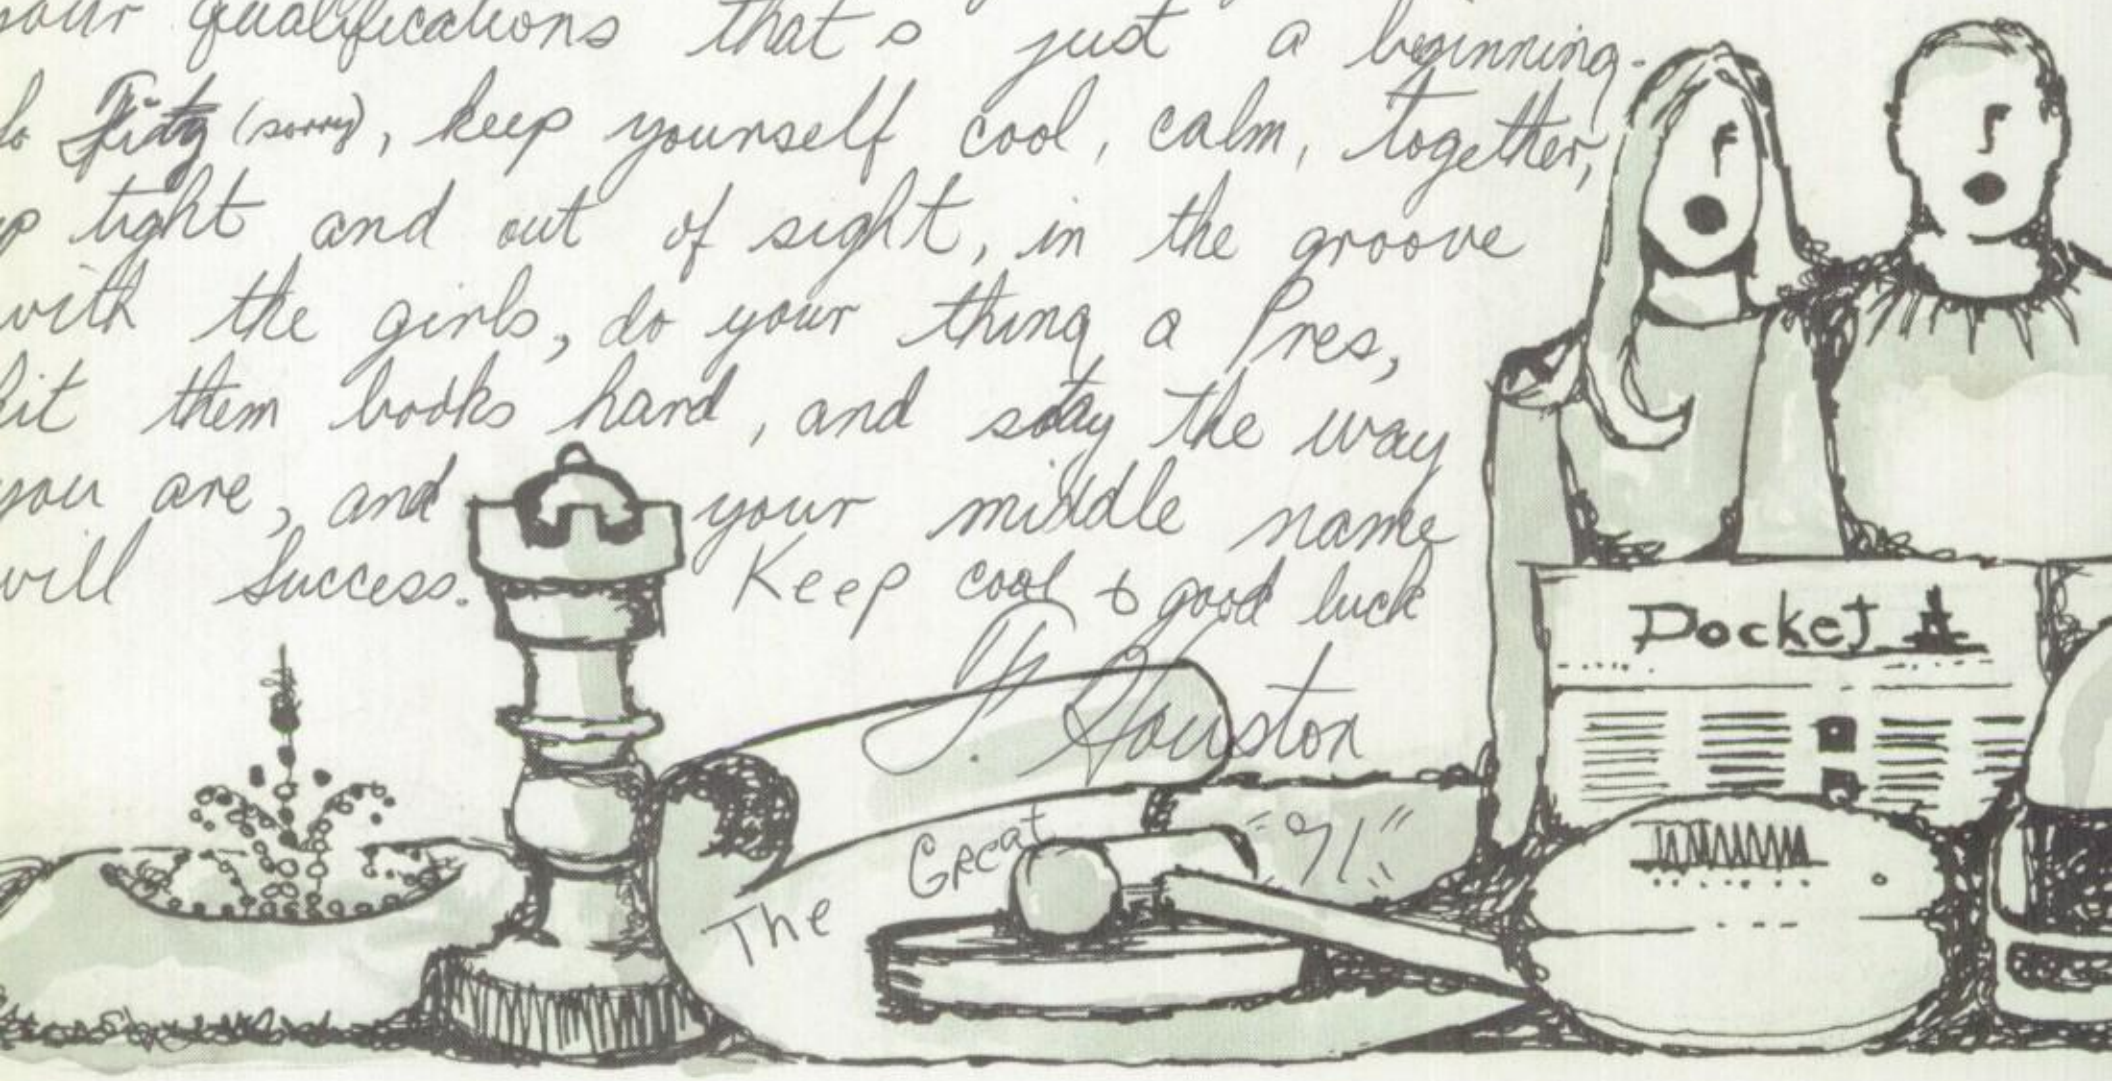
Well man, its that time again. Seems like each year you get better and better. I saw you get honorable mention fullback, the city championship in wrestling and 5th in the county, and the best thing of course was being elected President. I know you'll do a good job because with your qualifications that's just a beginning. So Fitz (sorry), keep yourself cool, calm, together, up tight and out of sight, in the groove with the girls, do your thing a Pres, hit them books hard, and stay the way you are, and your middle name will success. Keep cool & good luck



H. G. H.

As I have stated earlier, don't trust anyone to read this except you. I am glad I got to know you your friendship is one I will always cherish. I only wish I weren't engaged when I really got to know you. You know there are bold "Soul Sisters" at G.W. and at the time I wanted to be bold and do my thing, I was a little tied up. I only wish it could of been different. Even though it wasn't different I have enjoyed your friendship. I won't ever forget you. And if you think giving me those two pictures were a joke, think again. I am very serious about them. I hope you will be as nice as to give them to me. If this is more than your heart can stand don't worry about a thing. Just look at this as a little souvenir or a token from

e to you. Only a man with a personality and muscles
ike yours could really be appreciated by others. I'm
lad I got the pictures you gave me. Even if Ben does see them
will cherish them. I'll always look at them and
think of our friendship. I hope you won't ever forget it. I
won't. Keep in touch after I leave. I'll always remember
you know matter what.

John Marshall rejoined the cross country league this year after a year's absence. The young team lost their first meet to an outstanding Charlotte team. After that, hard work began to pay off. Charles Cronmiller led the team by crossing the finish line first in all remaining dual meets. The team responded by going undefeated in their last five races and by finishing second in the city championships. Captain Cronmiller, as the teams only senior, won all scholastic honors for the second time. The team finished the season by a strong run in the Section V Championships.

TENNIS

1969 was a disappointing year for the tennis team. The team is composed mostly of seniors. All have played together since the 10th grade, but last year a series of injuries riddled their morale. The tennis team looks forward to 1970 as a winning season and to 1971 as a rebuilding year.

Dear Son,

"If thou canst but believe - All things are possible - To him who believes."

Don't ever forget our little discussions on the magic of believing and the power of the subconscious mind. Any good thing in life can be yours if you only believe it can and work to that end.

Be good. I'm proud to be -

Your Mom
